

The Living, Peace Bringing, Sending King

Easter Sunday Kids' Talk

Thank you for using the 'Quiz Worx Home Delivery' Discussion Questions and 'Digging Deeper' family devotions. We hope this resource is a blessing to you and your family as you remember Jesus, who beat death and made a way for us to live forever with God. Firstly, you will find some questions that relate directly to the Kids' Talk video. You can use these to lead a short discussion at any time after watching the video. If you have older children, they might like to work through these questions themselves.

Secondly, we have provided some further questions based around John 20. We encourage you to read the passages with those in your household at a time that suits, and use the questions to guide you as you talk and reflect on the events of Easter Sunday. Below you will find some notes on these passages to help you.

(Most weeks we will only be releasing one kids talk video, and so the further questions can be spread out throughout the week. This Easter Weekend we have released a Good Friday talk AND an Easter Sunday talk, both of which have further discussion questions. As a family you can decide how best to spread these out through the week).

We looked at the NIV, ESV and CEV Bible translations when creating these questions. Any one of these would be fine to use as you work through them during your family Bible time.
